This image is a 'Connect The Dots' puzzle. At the top center, a white banner with a black border contains the text 'CONNECT THE DOTS' in black capital letters. The puzzle itself is a black and white line drawing of a cat and a butterfly. The cat is on the left, sitting and looking towards the butterfly. The butterfly is on the right, with its wings spread. The puzzle consists of 41 numbered dots (1-41) that form the outline of the cat and butterfly. The cat's body is filled with a stippled pattern. The butterfly's wings have a striped pattern. The puzzle is surrounded by a decorative border of colored squares and circles. The colors include red, blue, green, yellow, orange, purple, and brown. A vertical label 'Bundle Slide' is on the right side of the puzzle. The puzzle is set against a white background.

A colorful dot-to-dot puzzle titled "CONNECT THE DOTS" is displayed on a white background. The puzzle consists of 22 numbered dots arranged to form a character. The character has a large, round head with a black eye, a red nose, and a small black mouth. It has a small, round body and a long, green, bean-like tail. The dots are numbered 1 through 22, with 1/22 indicating the start and end of the sequence. The puzzle is surrounded by a decorative border of colorful squares and circles. A "Bundle Slide" label is visible on the right side of the puzzle area.
